Earn a MakeCode certificate

Digital Technologies · School and personal computers

You will

- finish a MakeCode Arcade skillmap
- claim your reward and download your certificate
- hand the certificate in on Google Classroom

You need

- MakeCode Arcade signed in with your school account (see the guide Sign in and save your MakeCode game)
- the skillmap your kaiako set, such as the Beginner Skillmap

Before you start

- A skillmap is a path of short tutorials. The certificate is waiting at the end.
- Hand in your certificate in the same lesson you download it.

 Click here  Look here

1

MakeCode Arcade › your skillmap

Finish every activity on the map, in order.

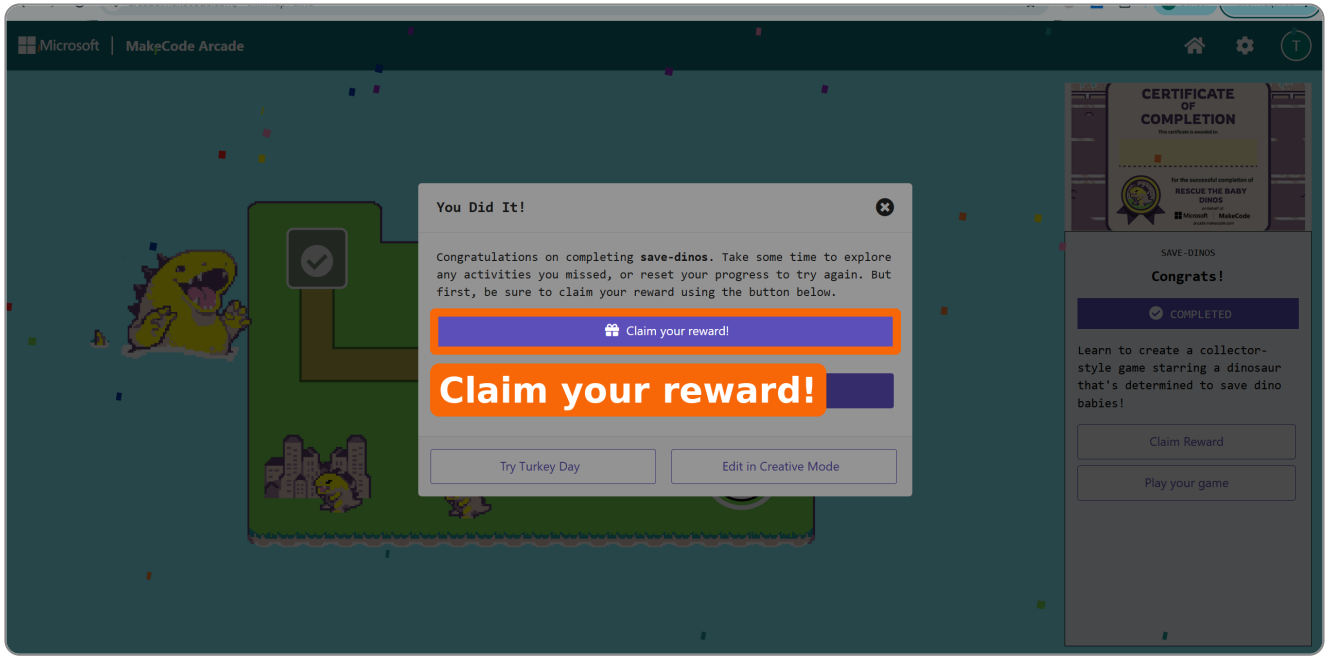

Each one unlocks the next. Your progress saves as you go, so you can finish over several lessons.

2

MakeCode Arcade › You Did It!

Click **Claim your reward!**

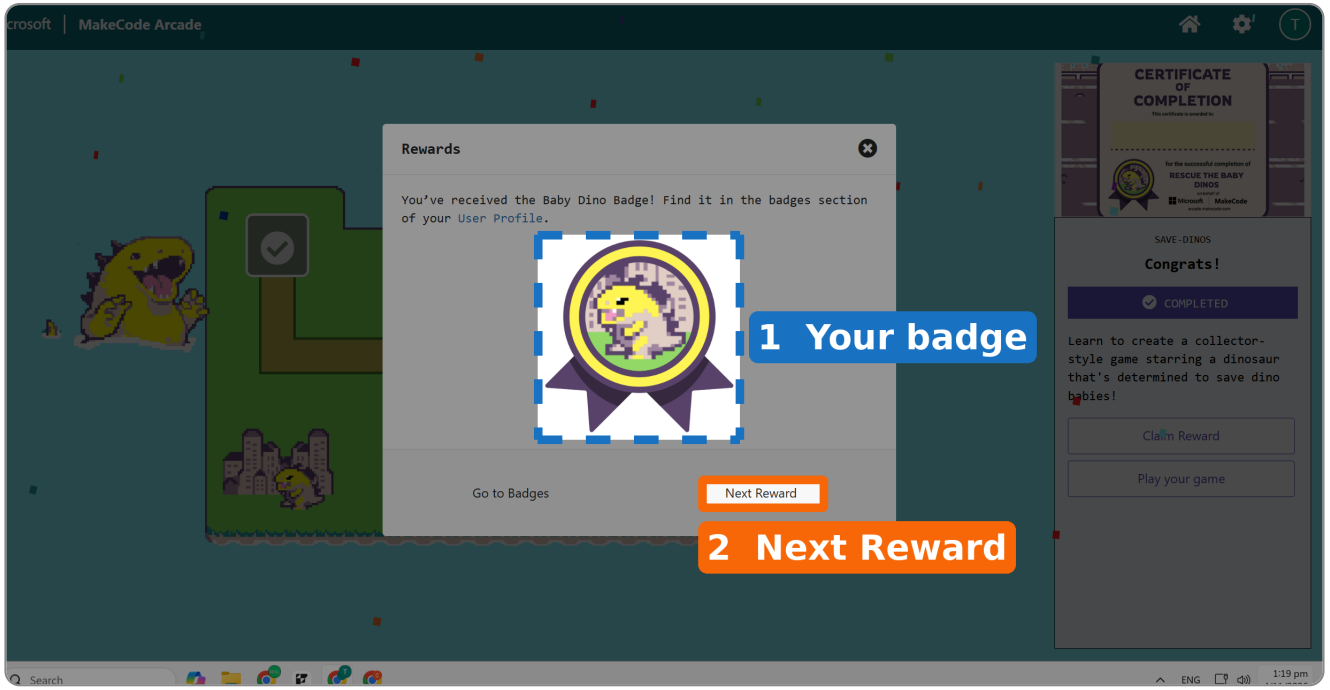

3

MakeCode Arcade › Rewards

Click **Next Reward**.

The badge goes in your MakeCode profile. The next reward is your certificate.

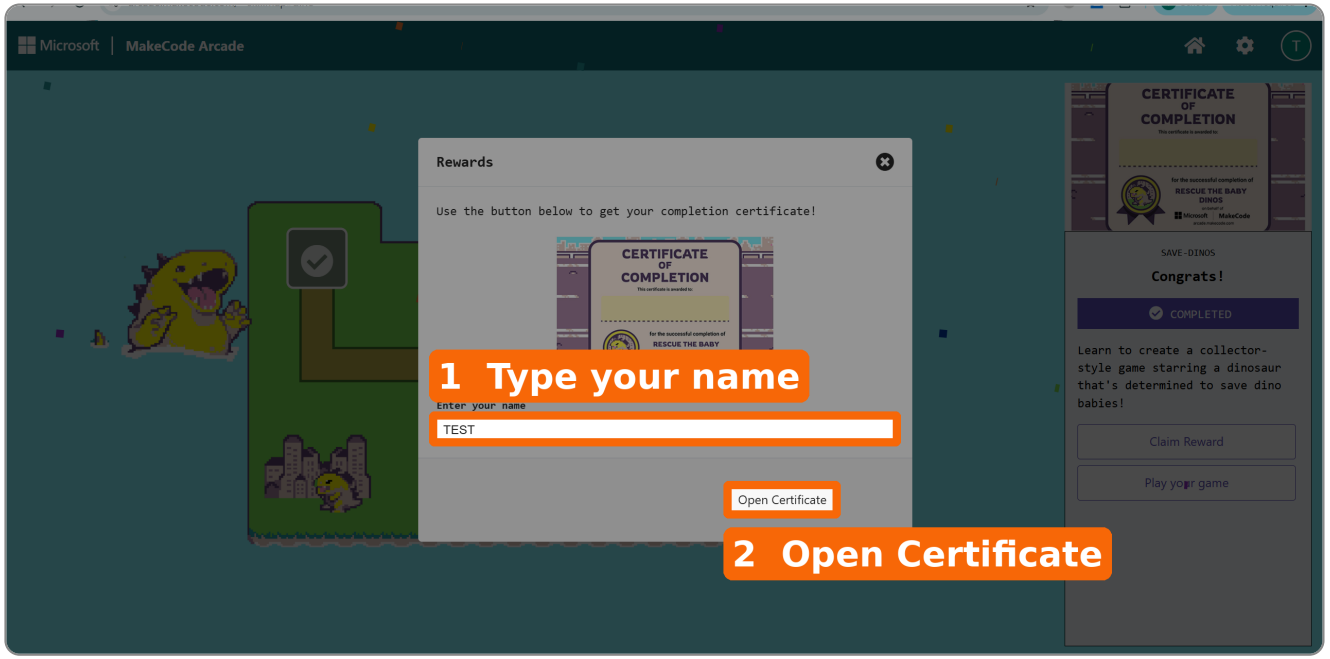

4

MakeCode Arcade › Rewards

Click the **Enter your name** box and type your name.

Click **Open Certificate**.

Check the spelling first: your name goes on the certificate.

5

Chrome › your certificate

Check your name is on the certificate.

Click the **Download** arrow at the top right.

It goes to Downloads. If a Save As window opens, click **Save**.

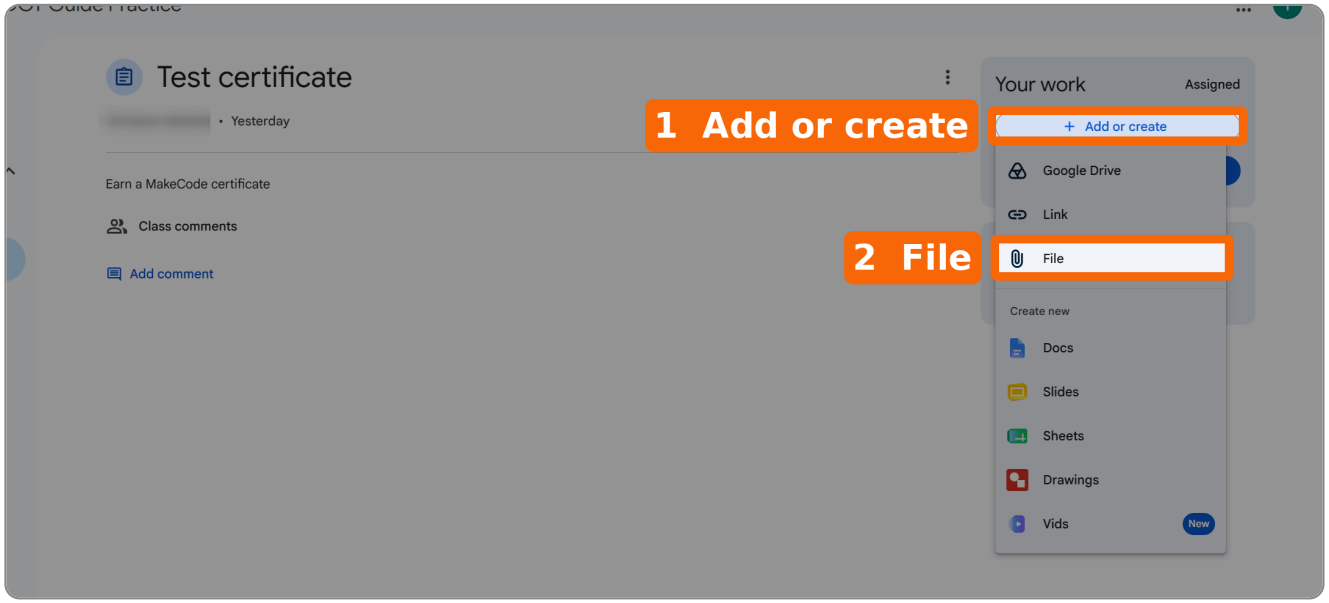

6

Classroom › your assignment

Open your class, then the certificate assignment.

Under **Your work**, click **+ Add or create**, then **File**.

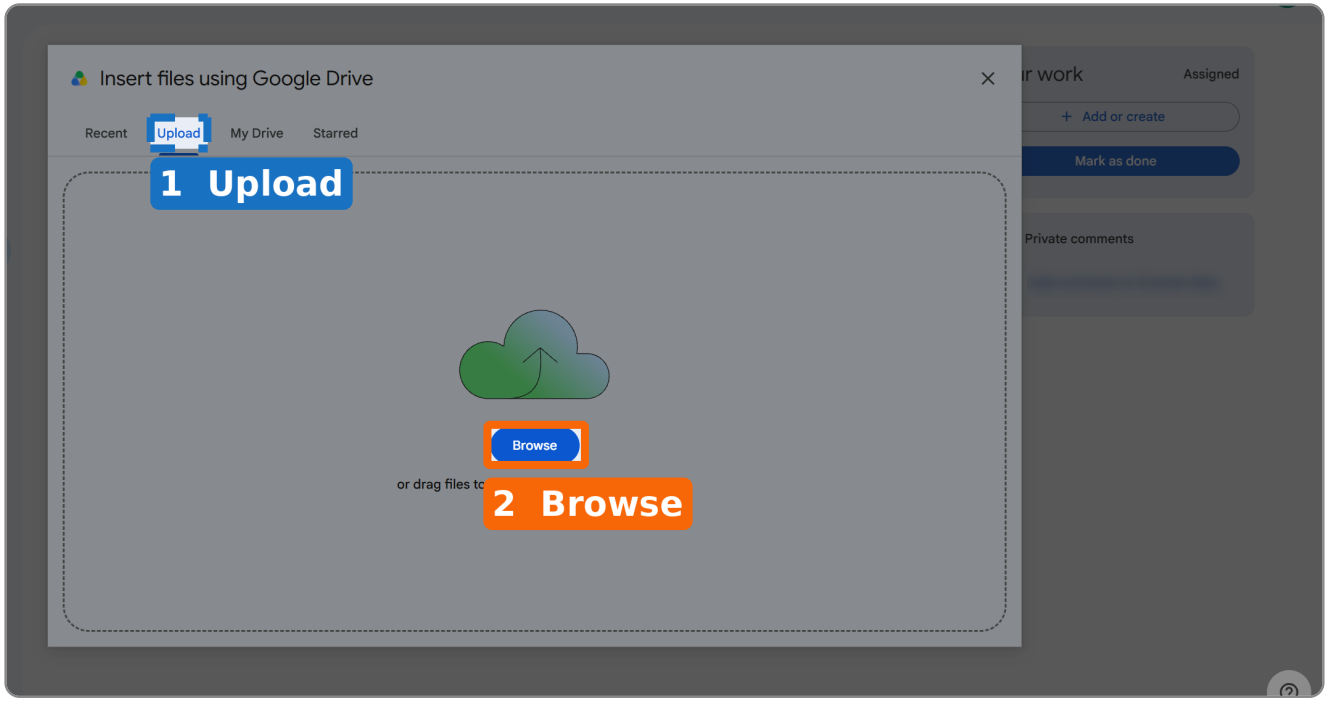

7

Insert files using Google Drive › Upload

Check **Upload** is selected.

Click **Browse**.

8

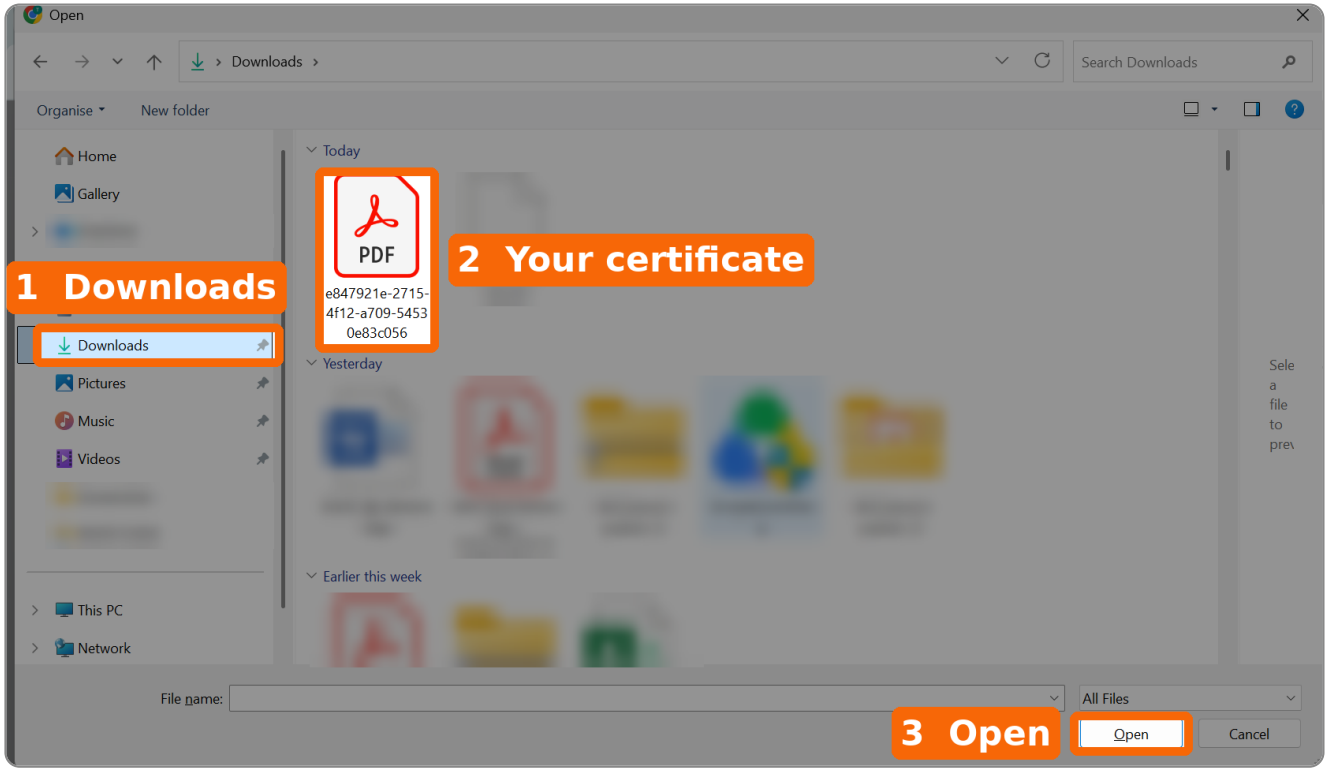

Open window › Downloads

Click **Downloads** in the left pane.

Click your certificate. It's the newest PDF, under Today.

Click **Open**.

Its name is a long mix of letters and numbers. That's normal.

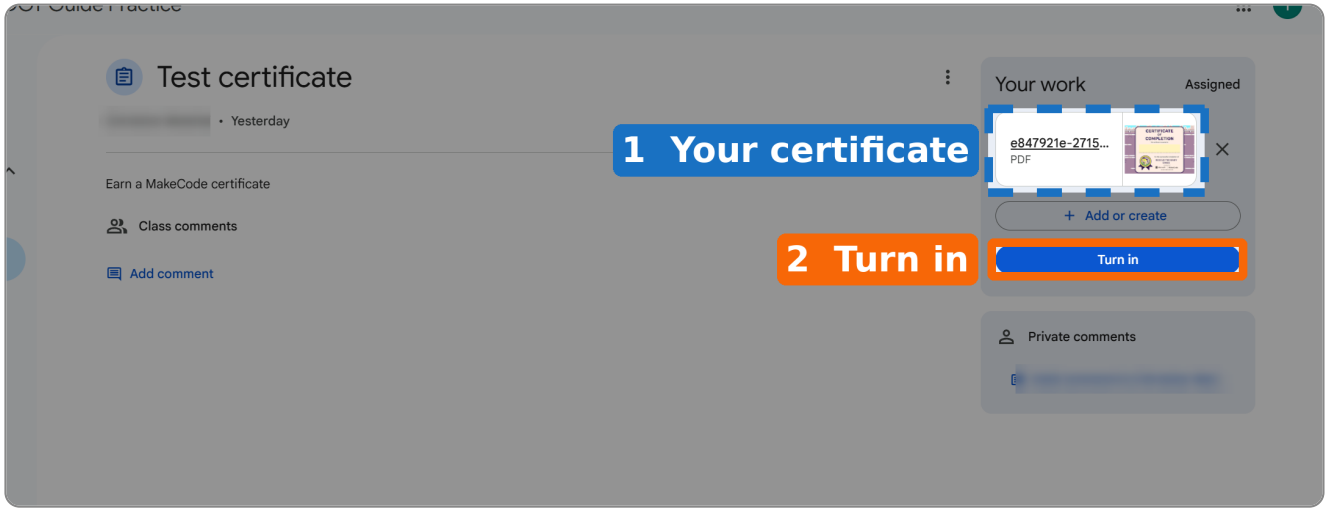

9

Classroom › your assignment

Wait until your certificate shows under Your work.

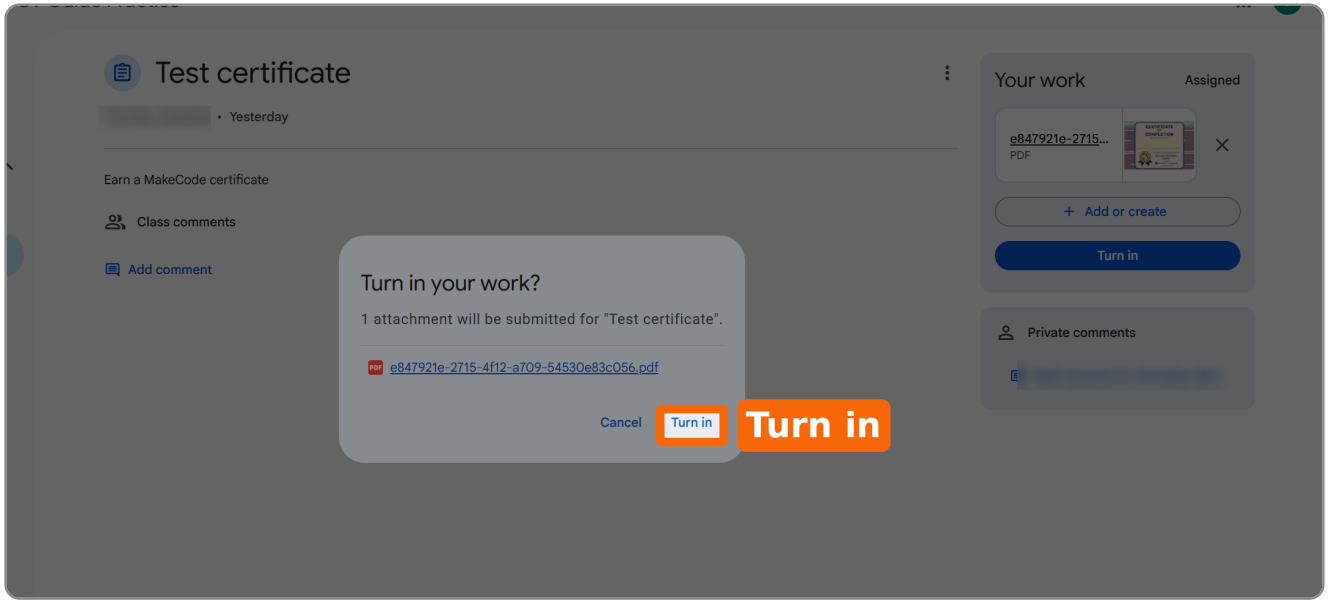

Click **Turn in**.

10

Classroom › Turn in your work?

Click **Turn in**.

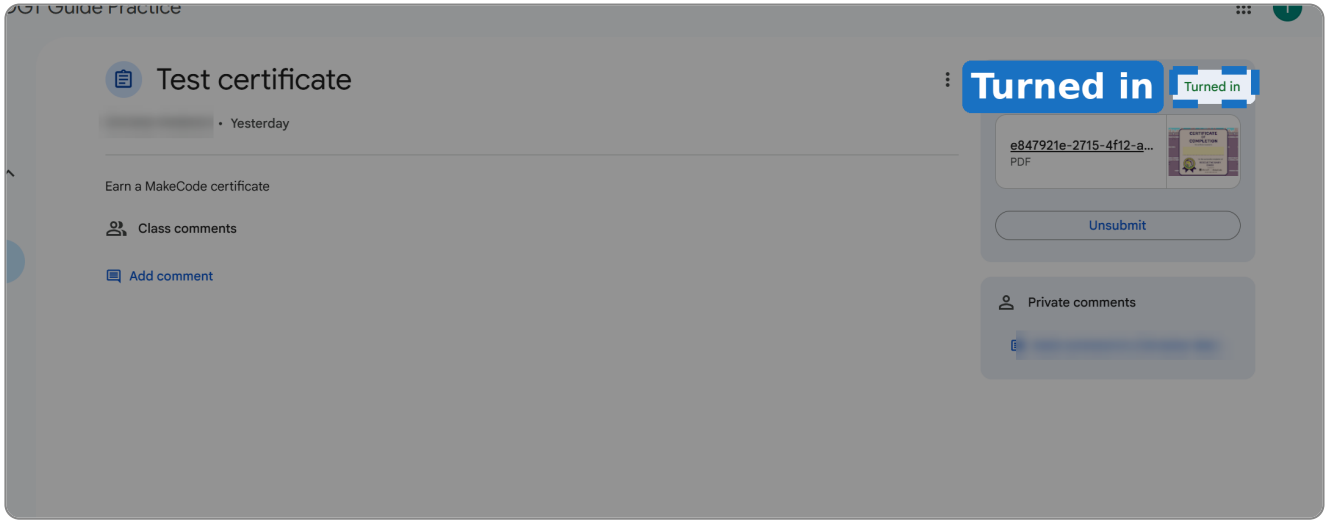

11

Classroom › your assignment

Check **Your work** says **Turned in**.

> **Check:** Turned in, at the top of Your work.

Your badges

In the Rewards box, **Go to Badges** opens your profile, with every badge you've earned.

Downloads stays on this computer

Hand your certificate in before you log off. On another computer, open the skillmap, click **Claim Reward** and download it again.

Checkpoint

- [ ] I finished every activity on the skillmap.
- [ ] I downloaded my certificate with my name on it.
- [ ] I turned in my certificate on Google Classroom.
